8. APPOINTMENT OF CORPORATE REPRESENTATIVES

9. PROXY VOTE IF APPOINTMENT SPECIFIES WAY TO VOTE

Section 250BB of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- a) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way;
- b) if the proxy has two or more appointments that specify different ways to vote on a resolution – the proxy must not vote on a show of hands;
- c) if the proxy is the Chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and

- d) if the proxy is not the Chair of the meeting – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

10. TRANSFER OF NON-CHAIR PROXY TO CHAIR IN CERTAIN CIRCUMSTANCES

Section 250BC of the Corporations Act provides that, if:

- a) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's Shareholders;

- c) a poll is duly demanded on the resolution, and either of the following applies:
 - (i) the proxy is not recorded as attending the meeting; or
 - (ii) the proxy does not vote on the resolution,

the Chair of the Meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution.

11. TECHNICAL DIFFICULTIES

Technical difficulties may arise during the course of the Meeting. The Chair has discretion as to whether and how the Meeting should proceed in the event that a technical difficulty arises. In exercising this discretion, the Chair will have regard to the number of Shareholders impacted and the extent to which participation in the business of the Meeting is affected.

Where the Chair considers it appropriate, the Chair may continue to hold the Meeting and transact business, noting that the Meeting will be held physically as well as online, including conducting a poll and voting in accordance with valid proxy instructions. For this reason, Shareholders who intend to attend the Meeting virtually are encouraged to lodge a proxy in accordance with the instructions below even if they plan to attend online.

EXPLANATORY MEMORANDUM

OVERVIEW

This Explanatory Memorandum has been prepared for the information of Shareholders in connection with the business to be conducted at the Meeting to be held as a hybrid meeting in person at 151 Broderick Road, Lara, Victoria or via our online meeting platform on Friday, 30 October 2026 at 11:00 am (AEDT).

This Explanatory Memorandum forms part of the Notice which should be read in its entirety. This Explanatory Memorandum contains the terms and conditions on which the proposed resolutions will be voted.

1. FINANCIAL STATEMENTS AND REPORTS

The Corporations Act requires that the financial statements of the Company and its controlled entities for the year ended 30 June 2026, together with the Directors' Report and the Auditor's Report, be laid before the Meeting. Each of these reports are set out in the Company's 2026 Annual Report which can be found here - [Cobram Estate Olives | Annual and Interim Reports](#), or by going to <https://investors.cobramestateolives.com.au> and navigating to *Annual and Interim Reports* page via the *Announcement and Reports* menu.

There is no requirement for Shareholders to approve these reports. However, the Chair will allow a reasonable opportunity for Shareholders to ask questions about, or make comments on, the operations and management of Cobram Estate Olives Limited.

2. ADOPTION OF THE REMUNERATION REPORT

The Company's Remuneration Report for the financial year ended 30 June 2026, which forms part of the 2026 Annual Report, is available at - [Cobram Estate Olives | Annual and Interim Reports](#), or by going to <https://investors.cobramestateolives.com.au> and navigating to *Annual and Interim Reports* page via the *Announcement and Reports* menu.

The Remuneration Report outlines the Company's remuneration strategy and practices, together with details of the specific remuneration arrangements that apply to Directors and to key management personnel whose details are included in the Remuneration Report ("**KMP**") in accordance with the requirements of the Corporations Act.

As required by the Corporations Act, the Board presents the Remuneration Report to Shareholders for consideration and adoption by a non-binding vote. The resolution is advisory only. The Board will consider and take into account the outcome of the vote and feedback from Shareholders on the Remuneration Report when reviewing the Company's remuneration policies.

Shareholders will have the opportunity to remove the whole Board except the managing directors if the Remuneration Report receives a 'no' vote of 25% or more ("**Strike**") at two consecutive annual general meetings.

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held

(within 90 days) at which all Directors (other than the managing directors) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2025 annual general meeting. Please note if the Remuneration Report receives a Strike at this Meeting and if a second Strike is received at the 2027 annual general meeting, this may result in the re-election of the Board.

The Chair will allow reasonable opportunity for Shareholders to ask questions about, or make comments on, the Remuneration Report at the meeting before calling for a vote.

3. ELECTION AND RE-ELECTION OF DIRECTORS

Clause 12.13 of the Company's Constitution requires a director who was appointed by existing Directors as an addition to the Board, to retire at the next annual general meeting following their appointment. Directors so appointed are eligible for election. The Company's agreement to acquire California Olive Ranch, Inc. required that one new director be appointed to the Board of Cobram Estate Olives, Mr Daniel Masters was therefore appointed as a Director on 23 April 2026 and will retire and offer himself for election by Shareholders at the Meeting.

Clause 12.4 of the Company's Constitution provides that no Director (other than a Managing Director) may retain office (without re-election) for more than three years or past the third annual general meeting following the Director's appointment, whichever is longer. Mr Craig Ball was last re-elected as a Director at the Company's 2023 annual general meeting. Mr Craig Ball shall retire at the 2026 annual general meeting and offer himself for re-election at the Meeting.

If re-elected, Mr Ball will not seek re-election at the expiry of the three-year term.

3.1 Recommendation

The Board (other than the Directors who are the subject of the relevant resolutions) recommends that Shareholders vote in favour of the election of Mr Daniel Masters and the re-election of Mr Craig Ball.

Special Responsibilities: Craig is a member of the Audit and Risk Committee and is chair of the Remuneration and Nomination Committee.

4. EMPLOYEE INCENTIVE PLAN (AUSTRALIA)

4.1 *General*

On 1 October 2022, amendments to the Corporations Act commenced, simplifying the process for incentivising participants under employee share schemes (“**ESS**”). Division 1A was introduced into Part 7.12 of the Corporations Act, providing a new regime for the making of offers in connection with an ESS (“**New Regime**”). This regime will replace the current relief afforded by ASIC *Class Order 14/1000* (“**Class Order**”), which has been in force since 30 October 2014.

To ensure that the Employee Incentive Plan complies with the New Regime, Resolution 4 seeks Shareholder approval, pursuant to Listing Rule 7.2, Exception 13(b), to adopt the Employee Incentive Plan and to enable Performance Rights, Options, and Shares upon exercise or conversion of those Performance Rights and Options to be issued under the Employee Incentive Plan to eligible Directors, employees, and contractors (“**Incentive Securities**”) to be exempted from Listing Rule 7.1 for a period of 3 years from the date on which Resolution 4 is passed.

A summary of the Employee Incentive Plan, to be adopted pursuant to Resolution 4, is set out in Schedule 1.

The Employee Incentive Plan is intended to assist the Company to attract and retain key staff, whether Directors, employees or contractors. The Board believes that grants made to eligible participants under the Employee Incentive Plan will provide a powerful tool to

underpin the Company's employment and engagement strategy, and that the Employee Incentive Plan will:

- a) enable the Company to incentivise and retain existing key management personnel and other eligible employees and contractors needed to achieve the Company's business objectives;
- b) enable the Company to recruit, incentivise and retain additional key management personnel, and other eligible employees and contractors, needed to achieve the Company's business objectives;
- c) link the reward of key staff with the achievement of strategic goals and the long-term performance of the Company;
- d) align the financial interest of participants of the Employee Incentive Plan with those of Shareholders; and
- e) provide incentives to participants under the Employee Incentive Plan to focus on superior performance that creates Shareholder value.

Resolution 4 is an ordinary resolution.

The Chair intends to exercise all available proxies in favour of Resolution 4.

4.2 *Listing Rule 7.1 and Listing Rule 7.2, Exception 13*

Listing Rule 7.1 provides that a company must not (subject to specified exceptions), without the approval of shareholders, issue or agree to issue during any 12 month period any equity securities, or other securities with rights to convert to equity (such as an Option or Performance Right), if the number of those securities exceeds 15% of the number of ordinary securities on issue at the commencement of that 12 month period.

Listing Rule 7.2, Exception 13, provides an exception to Listing Rule 7.1. The effect of Shareholder approval under Listing Rule 7.2, Exception 13, is that any issues of securities under the Employee Incentive Plan are treated as having been made with the approval of shareholders for the purposes of Listing Rule 7.1. Approval under Listing Rule 7.2, Exception 13, lasts for a period of three years.

If Resolution 4 is passed, the Company will be able to issue securities to eligible Directors, employees, and contractors under the Employee Incentive Plan without using up any of the Company's 15% limit on issuing equity securities without Shareholder approval under Listing Rule 7.1.

If Resolution 4 is not passed, the Company may still issue securities to eligible Directors, employees and contractors under the Employee Incentive Plan, but any issue will reduce, to that extent, the Company's capacity to issue equity securities under Listing Rule 7.1 for 12 months following the issue.

4.3 *Specific information required by Listing Rule 7.2*

In accordance with Listing Rule 7.2 Exception 13, information is provided as follows:

- a) The material terms of the Employee Incentive Plan are summarised in Schedule 1.

- b) The Employee Incentive Plan was last approved on 3 November 2023 and 2,822,000 securities have been issued under the Employee Incentive Plan since 3 November 2023.
- c) The maximum number of Incentive Securities that may be issued under the Employee Incentive Plan following Shareholder approval of Resolution 4 is 10,000,000 Incentive Securities.
- d) A voting exclusion statement is included in the Notice for Resolution 4.

4.4 Director Recommendation

As the Directors are excluded from voting on Resolution 4, the Directors decline to make a recommendation to Shareholders on Resolution 4.

5. COBRAM ESTATE OLIVES LIMITED 2023 U.S. INCENTIVE PLAN

5.1 General

During May 2023, the Company adopted the U.S. Equity Incentive Plan. A summary of the U.S. Plan, to be adopted pursuant to Resolution 5, is set out in Schedule 2.

The U.S. Plan enables the Company to issue performance securities (“**Awards**”) to its employees in the USA. The Board believes that the U.S. Plan will enable the company to attract, incentivise and retain personnel involved in the Company’s USA operations.

If Resolution 5 is passed, any options issued under the U.S. Plan may be treated as “incentive stock options” in certain circumstances pursuant to USA law.

Resolution 5 is an ordinary resolution.

The Chair intends to exercise all available proxies in favour of Resolution 5.

5.2 Listing Rule 7.1 and Listing Rule 7.2, Exception 13

Listing Rule 7.1 provides that a company must not (subject to specified exceptions), without the approval of shareholders, issue or agree to issue during any 12-month period any equity securities, or other securities with rights to convert to equity (such as an Award), if the number of those securities exceeds 15% of the number of ordinary securities on issue at the commencement of that 12 month period.

Listing Rule 7.2, Exception 13, provides an exception to Listing Rule 7.1. The effect of Shareholder approval under Listing Rule 7.2, Exception 13, is that any issues of securities under the U.S. Plan are treated as having been made with the approval of shareholders for the purposes of Listing Rule 7.1. Approval under Listing Rule 7.2, Exception 13, lasts for a period of three years.

If Resolution 5 is passed, the Company will be able to issue securities to eligible Directors, employees and contractors under the U.S. Plan without using up any of the Company’s 15% limit on issuing equity securities without Shareholder approval under Listing Rule 7.1.

If Resolution 5 is not passed, the Company may still issue securities to eligible Directors, employees and contractors under the U.S. Plan but any issue will reduce, to that extent,

the Company's capacity to issue equity securities under Listing Rule 7.1 for 12 months following the issue.

5.3 Specific information required by Listing Rule 7.2

In accordance with Listing Rule 7.2, Exception 13, information is provided as follows:

5.4 Director Recommendation

The Directors recommend that Shareholders vote in favour of Resolution 5.

6. APPROVAL OF THE ISSUE OF OPTIONS TO THE CHIEF EXECUTIVE OFFICERS

Resolutions 6a and 6b seek Shareholder approval, for the purposes of Listing Rule 10.14, for the issue of 1,500,000 Options to each of the joint Chief Executive Officers under the Employee Incentive Plan. The proposed Options are exercisable at \$3.40 each, vest on 1 September 2031 and expire on 30 September 2031.

Background

Listing rule 10.14, provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The proposed issue of options to Mr Beaton and Mr Ravetti being Directors of the Company, falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

In addition, Chapter 2E of the Corporations Act requires a public company to obtain shareholder approval before giving a financial benefit to a related party, unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The proposed issue of Options constitutes giving a financial benefit, and Mr Beaton and Mr Ravetti are a related parties by virtue of being directors of the Company. The Directors (other than Mr Beaton and Mr Ravetti) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue, because the agreement to issue the options, was reached as part of the remuneration package for Mr Beaton and Mr Ravetti, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

If this Resolution is passed, the Company will be able to proceed with the issue of options, and as approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If this Resolution is not passed, the Company will not be able to proceed with the issue and may seek to remunerate Mr Beaton and Mr Ravetti via alternative means.

SCHEDULE 1: SUMMARY OF THE EMPLOYEE INCENTIVE PLAN

Key terms	Description
Eligibility	Either: - an 'ESS Participant' as defined in section 1100L(2) of the Corporations Act; or - a person as determined by the Board to be eligible to participate in the Employee Incentive Plan from time to time.
Type of Securities	Employee Incentives, being any Option or Performance Right.
Purpose	The purpose of the Employee Incentive Plan is to: - assist in the reward, retention and motivation of Eligible Employees; - link the reward of Eligible Employees to Shareholder value creation; and - align the interests of Eligible Employees with Shareholders by providing an opportunity to Eligible Employees to earn rewards via an equity interest in the Company based on creating Shareholder value.
Plan Administration	The Employee Incentive Plan will be administered by the Board. The Board may exercise any power or discretion conferred by the Employee Incentive Plan on the Board or the Company in its absolute discretion.
Offers	The Board may from time to time in its sole and absolute discretion determine that an Eligible Employee may participate in the Employee Incentive Plan. The Board may then make an Offer to the Eligible Employee and it must be set out in an Offer Letter delivered to the Eligible Employee and accompanied by an Application.
Vesting and Exercise Conditions	The Board will determine prior to an Offer being made and specify in the Offer any Performance Criteria and/or Vesting Conditions, Performance Period or Expiry Date attaching to the Employee Incentives. Employee Incentives will only vest and be exercisable if the applicable Performance Criteria and/or Vesting Conditions (if any) have been satisfied prior to the end of the Performance Period, waived by the Board, or are deemed to have been satisfied under these Rules. The Board will determine in its sole discretion whether (and, where applicable, to what extent) the Participant has satisfied the Performance Criteria and/or Vesting Conditions (if any) applicable to the Employee Incentives at the end of the Performance Period.
Method of Exercise	The Option is exercisable by the Participant within the Exercise Period specified by the Board in the Offer, subject to the Participant delivering to the registered office of the Company or such other address as determined by the Board of: a signed Notice of Exercise; and

Key terms	Description
	subject to the cashless exercise option, a cheque or cash or such other form of payment determined by the Board in its sole and absolute discretion as satisfactory for the amount of the Exercise Price (if any).
Cashless Exercise of Options	A Participant may elect to pay the Exercise Price for any number of Option by setting off the total Exercise Price against the number of Employee Incentive Plan Shares which they are entitled to receive upon exercise (Cashless Exercise Facility). By using the Cashless Exercise Facility, the holder will receive Employee Incentive Plan Shares to the value of the surplus after the Exercise Price has been set off. If the Participant elects to use the Cashless Exercise Facility, the Participant will only be issued that number of Employee Incentive Plan Shares (rounded down to the nearest whole number) as is equal in value to the difference between the total Exercise Price otherwise payable for the Options on the Options being exercised and the then market value of the Employee Incentive Plan Shares at the time of exercise. If the difference between the total Exercise Price otherwise payable for the Options on the Options being exercised and the then market value of the Employee Incentive Plan Shares at the time of exercise is zero or negative, then a Participant will not be entitled to use the Cashless Exercise Facility.
Timing of Issue of Plan Shares	The Company must, allot and issue the Employee Incentive Plan Shares, give ASX the relevant notice (or lodge a prospectus) and apply for official quotation on ASX of Employee Incentive Plan Shares issued, within 20 business days after the later of the following: - receipt of a Notice of Exercise given in accordance with these terms and conditions and payment of the Exercise Price for each Option being exercised; or - satisfaction of the Performance Criteria and/or Vesting Conditions (if any) applicable to the Performance Rights; and when excluded information in respect of the Company (as defined in section 708A(7) of the Corporations Act) (if any) ceases to be excluded information. If there is no such information, the relevant date will be the date of receipt of a Notice of Exercise or relevant Performance Criteria and/or Vesting Conditions are satisfied.
Quotation	The Company will not seek official quotation of any Employee Incentives. The Company must use all reasonable endeavours to obtain the grant of quotation of Employee Incentive Plan Shares issued under this Employee Incentive Plan and Employee Incentive Plan Shares issued on exercise or conversion of any Employee Incentive under this Plan on the ASX and, subject to Listing Rules, on any other exchange on which Employee Incentive Plan Shares are quoted.
Transfers	Employee Incentives granted under this Employee Incentive Plan may not be assigned, transferred, encumbered with a Security Interest in or over them, or otherwise disposed of by a Participant, unless:

Key terms	Description
	- the prior consent of the Board is obtained, which consent may impose such terms and conditions on such assignment, transfer, encumbrance with a Security Interest or disposal as the Board sees fit; or - such assignment or transfer occurs by force of law upon the death or total and permanent disablement of a Participant to the Participant's legal personal representative.
Change of Control	Where a Change of Control Event has: - occurred; or - been announced by the Company and, in the opinion of the Board, will or is likely to occur: then: - a Participant may exercise any or all of their Options, regardless of whether the Vesting Conditions have been satisfied, provided that no Option will be capable of exercise later than the Expiry Date; - if the Board has procured an offer for all holders of Options on like terms (having regard to the nature and value of the Options) to the terms proposed under the Change in Control Event and the Board has specified (in its absolute discretion) a period during which the holders of Options may elect to accept the offer and, if the holder has not so elected at the end of that offer period, the Options, if not exercised within ten days of the end of that offer period, shall expire; and - all granted Performance Rights which have not yet vested or lapsed shall automatically and immediately vest, regardless of whether any Performance Criteria or Vesting Conditions have been satisfied.
Forfeiture	Where, in the reasonable opinion of the Board, a Participant or Former Participant satisfies one of the forfeiture conditions then the Board may (in its absolute discretion) deem all Employee Incentives held by the Participant or Former Participant will automatically be forfeited
Plan Shares	Unless the Board determines otherwise (in its absolute discretion), all Employee Incentive Plan Shares issued under this Plan will be issued on the issuer sponsored sub-register maintained by the Company. Any Employee Incentive Plan Shares allotted, issued or transferred by the Company to a Participant under the Employee Incentive Plan will rank equally with all existing Shares. A Participant will have a vested and indefeasible entitlement to any dividends declared and distributed by the Company on any Employee Incentive Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Employee Incentive Plan Shares (provided the Employee Loan has been fully repaid). A Participant may exercise any voting rights attaching to Employee Incentive Plan Shares registered in the Participant's name.
Disposal Restrictions	The Board, in its sole and absolute discretion, may determine, prior to an Offer being made, whether there will be any restrictions on the disposal of, the granting (or purporting to grant) of any Security Interest in or over, or otherwise on dealing

Key terms	Description
	with (or purporting to dispose or deal with), Employee Incentive Plan Shares held by any Participants.
Amendment of Plan	Subject to the following paragraph and the Constitution, the Board may at any time amend these Rules or the terms and conditions upon which any Employee Incentives have been issued under the Employee Incentive Plan. No amendment to these Rules or to Employee Incentives granted under the Employee Incentive Plan may be made if the amendment, in the opinion of the Board, materially reduces the rights of any Participant in respect of Employee Incentives other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants
Termination and suspension of Plan	Subject to the following paragraph, the Board may at any time terminate or amend the Employee Incentive Plan or suspend the operation of the Employee Incentive Plan for such period or periods as it thinks fit. In passing a resolution to terminate, amend or suspend the operation of the Employee Incentive Plan, the Board must consider and endeavour to ensure that there is fair and equitable treatment of all Participants.

Key terms	Description
	extent permitted by Applicable Law, or (iv) by any combination thereof. The Board may grant options which do not permit all of the foregoing forms of consideration to be used in payment of the exercise price or which otherwise restrict one or more forms of consideration. A “Stock Tender Exercise” means the delivery of a properly executed exercise notice accompanied by a participant’s tender to the Company, or attestation to the ownership, in a form acceptable to the Company of whole shares of stock owned by the participant having a fair market value that does not exceed the aggregate exercise price for the shares of stock with respect to which the option is exercised. A “Cashless Exercise” means the delivery of a properly executed exercise notice together with irrevocable instructions to a broker providing for the assignment to the Company of the proceeds of a sale or loan with respect to some or all of the shares of stock being acquired upon the exercise of the option (including, without limitation, through an exercise complying with the provisions of Regulation T as promulgated from time to time by the Board of Governors of the Federal Reserve System). A “Net Exercise” means the delivery of a properly executed exercise notice followed by a procedure pursuant to which (1) the Company will reduce the number of shares of stock otherwise issuable to a participant upon the exercise of an option by the largest whole number of shares having a fair market value that does not exceed the aggregate exercise price for the shares with respect to which the option is exercised, and (2) the participant will pay to the Company in cash the remaining balance of such aggregate exercise price not satisfied by such reduction in the number of whole shares to be issued. If the participant’s service terminates for any reason, except disability, death or cause, the option, to the extent unexercised and exercisable for vested shares on the date on which the participant’s service terminated, may be exercised by the participant at any time prior to the expiration of three (3) months after the date on which the participant’s service terminated. During the lifetime of the participant, an option is exercisable only by the participant or the participant’s guardian or legal representative. An option is not subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the participant or the participant’s beneficiary, except (a) transfer by will or by the laws of descent and distribution or (b) to the extent permitted by the Board, in its discretion, subject to the applicable limitations, if any, described in Rule 701 under the Securities Act and the General Instructions to Form S-8 Registration Statement under the Securities Act or, in the case of an incentive stock option, only as permitted by applicable regulations under Section 421 of the Code in a manner that does not disqualify such option as an incentive stock option.

No monetary payment (other than applicable tax withholding) is required as a condition of

Key terms	Description

However, if required by applicable state corporate law, the participant must furnish consideration in the form of cash or past services rendered to a participating company or for its benefit having a value not less than the par value of the shares of stock subject to a restricted stock award. A restricted stock purchase right is exercisable within a period established by the board not exceeding 30 days from the effective date of the grant of the restricted stock purchase right. Shares issued pursuant to any restricted stock award may (but need not) be made subject to vesting conditions based upon the satisfaction of such service requirements, conditions, restrictions or performance criteria established by the Board and set forth in the award agreement. During any period in which shares acquired pursuant to a restricted stock award remain subject to vesting conditions, such shares may not be sold, exchanged, transferred, pledged, assigned or otherwise disposed of other than pursuant to an ownership change event or as provided in the U.S. Plan. Unless otherwise provided by the Board in the award agreement evidencing a restricted stock award, if a participant's service terminates for any reason, whether voluntary or involuntary (including the participant's death or disability), then (a) the company will have the option to repurchase for the lower of the then current fair market value or the purchase price paid by the participant any shares acquired by the participant pursuant to a restricted stock purchase right that remain subject to vesting conditions as of the date of the participant's termination of service and (b) the participant will forfeit to the company for no consideration any shares acquired by the participant pursuant to a restricted stock bonus which remain subject to vesting conditions as of the date of the participant's termination of service. the company will have the right to assign at any time any repurchase right it may have, whether or not such right is then exercisable, to one or more persons as may be selected by the company. Rights to acquire shares of stock pursuant to a restricted stock award will not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance or garnishment by creditors of the participant or the participant's beneficiary, except transfer by will or the laws of descent and distribution.
Restricted Stock Units	Restricted stock unit awards may be granted upon such conditions as the Board determines, including the attainment of one or more performance goals. Restricted stock unit awards may (but need not) be made subject to vesting conditions based upon the satisfaction of such service requirements, conditions, restrictions or performance criteria established by the Board and set forth in the award agreement. Unless otherwise provided by the Board and set forth in the award agreement evidencing a restricted stock unit award, if a participant's service terminates for any reason, whether voluntary or involuntary (including the participant's death or disability), then the participant will forfeit to the Company any restricted stock units pursuant to the award which remain subject to vesting conditions as of the date of the participant's termination of service.

Key terms	Description
	The right to receive shares pursuant to a restricted stock unit award will not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the participant or the participant's beneficiary, except transfer by will or by the laws of descent and distribution. All rights with respect to a restricted stock unit award granted to a participant hereunder will be exercisable during his or her lifetime only by such participant or the participant's guardian or legal representative.
Change of Control	In the event of a change in control, outstanding Awards will be subject to the definitive agreement entered into by the Company in connection with the change in control or as otherwise determined by the Board, including any requirement thereunder that the participant sign a letter of transmittal, cancellation agreement, release of claims or other similar acknowledgement or agreement. Subject to the requirements and limitations of Section 409A, if applicable, the following provisions will apply to Awards in the event of a change in control unless otherwise provided in the award agreement or any other written agreement between the Company or any affiliate and the participant or unless otherwise expressly provided by the Board at the time of grant of an Award. In the event of a change in control, then, notwithstanding any other provision of the U.S. Plan, the Board may take one or more of the following actions with respect to Awards, contingent upon the closing or completion of the change in control. The Board need not take the same action or actions with respect to all Awards or portions thereof or with respect to all participants and in each case may make such determination in its discretion and without the consent of any participant (unless otherwise provided in the award agreement or any other written agreement between the Company or any affiliate and the participant or unless otherwise expressly provided by the Board at the time of grant of an Award).
Amendment of Plan	The Board may amend, suspend or terminate the U.S. Plan at any time. However, without the approval of the Company's stockholders, there must be (a) no increase in the maximum aggregate number of shares of stock that may be issued under the U.S. Plan (except by operation of the provisions of Sections 4.2 and 4.3 of the U.S. Plan), (b) no change in the class of persons eligible to receive incentive stock options, and (c) no other amendment of the U.S. Plan that would require approval of the Company's stockholders under any applicable law, regulation or rule, including the rules of any stock exchange or quotation system upon which the Stock may then be listed or quoted.
